**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Where I live on the west edge of San Francisco, ATT and Comcast are the only internet providers we can access.

My Comcast bill keeps rising and I have no other options but to pay.

We spoke to our SF Supervisor, Sandra Fewer, but she was unable to assist us in getting cheaper and more powerful internet service to our address.

ATT and Comcast are preventing competitors from offering their services on our block.

Sonic internet lines have been installed in our neighborhood. Sonic charges almost 1/2 the cost of ATT and Comcast AND their speed is over twice as fast. Sonic informed us they were prevented from bringing their service to our block.

Please take action to prevent this monopoly from continuing.
Please help us access cheaper and faster internet service options like Sonic.

Thank you,

Marcia Orbelian
